

# 2008 Tao Seminar

In Searching Of The True Meaning of Tao

## *About This Seminar:*

Due to the language and cultural barrier between East and West, it is often difficult to communicate and explain the true meaning behind “Tao” in English. The honorable Dian Chuan Shr Mohr has been a faithful and respectful Tao cultivator for many years; he also has extensive experience in spreading the voice of “Tao” among Western cultural communities. We are very fortunate to have Dian Chuan Shr Mohr and his team to host this two days Tao seminar in the Bay Area and to talk to us about every aspect of “Tao”. Please come and join us.
